

# FAITH UNITED CHURCH OF CHRIST CELEBRATES

We join as a faith community to prepare ourselves, our families, and our communities for an awareness of the presence of God in our midst. This is an Advent Season like no other. It will be an Advent of social distancing, worship online, masks, washing our hands and not being able to always celebrate in the manner to which we have grown accustomed. Yet, the one constant in this Advent Season is God is preparing us and the world for the birth of Jesus, our Redeemer.

This will be a new and different journey. This journey may make us uncomfortable, weary, and sometimes afraid. God is along side us in the journey, so let us proceed with our hopes, dreams, and expectations.

Please pray for yourself and for each other. Be kind to one another. Hope, always, in the continuing promise of God.
